### **Severe Weather Advisory Information**

Severe weather is always a threat to Central Florida. Hurricane season heightens our awareness of potential weather related school closings. In the event that our area is effected by severe weather how would parents and students know if CH&BS is closed?

- 1) If Lake County Schools are closed CH&BS is closed.
- 2) In the event that Lake County Schools are not in session on the same day that we are in session, we will provide a news release to all local media outlets announcing that we are closed.
- 3) In addition, our website, facebook, and e-News will also be resources for information.

How would parents and students know when the school would reopen?

- 1) If Lake County Schools reopens so will CH&BS.
- 2) In addition, our website, Facebook, and e-News will also be resources for information.
